Lily Reynard (Author of Claimed by the Viking Warriors)

She claimed that what was formerly understood as a Viking warrior's grave was that of a woman, confirmed by DNA tests, and that this proved that female Viking warriors existed during the Viking Age (c. 790-1100 CE). However, Hedenstierna-Jonson's claims quickly unraveled when challenged by professor Judith Jesch,...

Amazon.com: Customer reviews: Claimed by the Viking Warriors

Doubts have been cast on new research that claimed an ancient Viking warrior buried in Sweden was actually a warrior or a woman. The story sprang up all over the internet after the research was published in the American Journal of Physical Anthropology. So were Vikings more progressive than first thought? Let's break it down.

Viking expert raises doubts over research claiming famous ...

Famous Viking Warriors. The Vikings by their very nature were natural warriors, raised with the keen desire for a fight. They trained with weapons from a young age and were skilled by the time they became fully grown men.

Famous Viking Warriors | Famous Vikings

In fantastical 19th-century images, "it's common to see [women] depicted as valkyries or strong women," she says (in Norse mythology, valkyries chose which fallen warriors could live with the god Odin at Valhalla). Even so, Viking history books published after World War II...

THE VIKINGS | Warriors of the Pagan Gods - Viking Documentary 2018

The Vikings were famously fierce warriors. They set sail from their homes and raided other societies across Europe with sudden and daring attacks. To a Viking warrior, honor and glory in battle were the only things that lasted forever. Warriors who died bravely were believed to go to Valhalla, the Viking heaven.

This is all very reminiscent of last year's "half of viking warriors were women" media hype, all based on a study published in the same online journal that claimed half of Norse migrants were female. There is a longing for the concept of shield maidens to be true, a large portion of the general public want it to be true.

Let's Debate Female Viking Warriors Yet Again - Blogger

Vikings were Norse people (present day Denmark, Sweden and Norway), who from the late 8th to late 11th centuries, raided and traded from their Northern European homelands across wide areas of Europe, and explored westwards to Iceland, Greenland, and Vinland. The term is also commonly extended in modern English and other vernaculars to include the inhabitants of Norse home communities during ...
