The Supreme Court has held that public employee speech is protected when it is made as a citizen speaking on a matter of public concern. This means that speech affecting only the employee (or largely for the employee's benefit rather than for the benefit of the public) will not be entitled to the same protections as speech

Free Speech Guide for Public Employers

This book examines the developing legal regimes and regulation of public services in the UK and provides a highly informative and novel case study of the interaction and conflict between the economic and social aims of the EU and between regulation at national and supranational levels, taking into account the changing forms which this regulation has ...
