PUBLIC ADMINISTRATION THEORY AND PRACTICE: ARE THERE ...

Like any other field of social sciences, the development of Public Administration as a study and also, as a practice is a response to evolving social contexts. As it is an eclectic field of study, it has adapted its key concepts and theories predominant in that period of time from the other fields of study. Thus, one can look at its development by identifying key concepts of economic, sociological and other studies that have contributed to how it is today.

Theories And Development Of Public Administration Free ...

Public administration is a combination of both theory and practice. According to Stillman (1980), there is no sharp point in history where the story of public administration theory begins, just like that of its practice. However, its practice is as old as human civilization.
